The winners will be announced shortly.

But first, some information about the York Guild of Building and how to get involved.

Our Objectives

"The advancement of design, management, science and craft in building and the encouragement of a better understanding of the problems and achievements of those engaged in building"

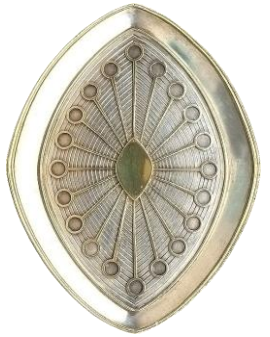
York Guild of Building

1954

The Guild was founded to encourage communication between the different sectors of the construction industry within the city.

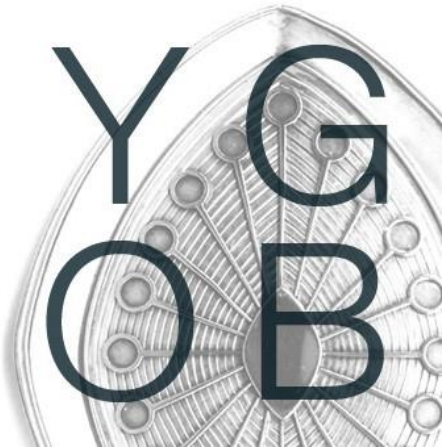
The Logo

The Guild was founded to encourage communication between the different sectors of the construction industry within the city.



How to get involved

Ask for our calender of meetings and events for 2018 - 2019. Everyone is welcome from craftsmen, professionals & trainees, with a fee of only £55 per year. For students the first year is free!



The Awards
The Nominees

Everyone who has been nominated will receive an offer of free membership to the Guild for this calender year

This is not a consolation prize, it is because we encourage excellence in the Guild and the nominees all embrace our values
